

The Lebanese mentality is based on:

In Thermal

°C

In PV

Amp

We rarely deal with kWh

In other words, we look for:

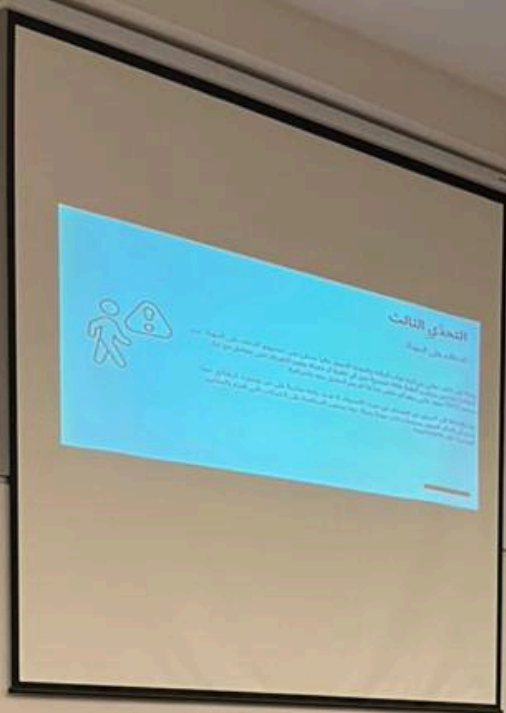

Demand, but not consumption

تتمثل في تبني نهج تعليمي جديد في المدارس، وتوطين التكنولوجيا
في جميع المجالات التعليمية، بدءاً من مراقبة أداء الطلاب
والتدخل الفوري عند الحاجة، مروراً بالإستخدام التفاعلي للإعداد
الذي يسهل عملية التعلم، وانتهاءً بالتحول الرقمي
في ظل الظروف الراهنة.

Energy Challenges in Practice: Joint Insights from Academia and Industry
