LEBANESE UNIVERSITY - FACULTY OF MEDICAL SCIENCES

***Academic research Poster: Strategies and Principles for Good Design**

Aims and Objectives

- Can you break down the aims and objectives of your project into some simple statements?
- If so, try presenting these as bullet points to make it easy for your reader to find them:
 - ✓ Produce a high-quality academic poster
 - ✓ Present my findings in an accessible and visually engaging way &
 - ✓ Raise awareness of my research among a wider audience.
